

David Bennett Says ...
Treat Yourself To Something You Really Want This Holiday Season

With the chill in the air and the sounds of carols filling the mall, it's hard to think past your holiday to-do lists. The shopping, the cooking, the entertaining... it's equally exhilarating and exhausting. As you bundle up each day it all makes spring seem like a very distant memory.

But believe it or not, now is the perfect time to plan your dream outdoor living space.

Whether it's a patio with a blazing fire pit, or a pergola with a dining area by the pool, Bennett Design & Landscape can breathe new life into your backyard. So go ahead and take advantage of the dormant winter months. Let us construct a fabulous outdoor kitchen complete with a wine cooler, refrigerator, and the wood-fired pizza oven that you always wanted. And when the nicer weather finally hits, guess who will be the first in the neighborhood to start up the grill. So why don't you treat yourself to something you really want this holiday season? Call us today to start your design plan for a gift that will truly keep giving all year long.

Maintenance Update - Keeping Your Beds And Homes Warm For The Holidays

Bennett Design & Landscape offers our maintenance clients mulch options to highlight and protect your landscaping beds as well as firewood to keep your home warm. Pine straw and mulch sets off your house and keeps your plant roots safe these cold winter months. And of course nothing makes a home cozier than a toasty fire. So call Garon at 770-457-3100 ext. 7 to schedule your mulch and pine straw installations and your firewood delivery today.

Firewood is now available - stacked and delivered to your property for \$380.00 a cord and \$190.00 for a half cord.

Community Happenings

Comes see Atlanta's brightest winter wonderland at the Atlanta Botanical Gardens. Experience the Garden transformed with one million lights, sing along with carolers, and be sure to enjoy the s'mores roasted over a roaring fire. Garden Lights are open nightly from 5 -10 p.m. now through Jan. 4th.
